

September 9, 1935.

The Executive Committee of the New Jersey Urban League met on the above date at 58 W. Market Street. Present: Dr. Bell, Mr. Brooks, Mrs. Darden, Rev. Garner, Mr. Gillette, Rev. Hayes, Miss Shepard, Mr. Gilmore. Minutes of the June meeting read and accepted.

The House Committee reported certain necessary repairs. For those taken care of see the Executive's report. The committee had discussed ways of securing funds for repairs - also rental charges.

The report of the Executive was next considered. Mr. Lett explained that the domestic training school to be held at the League under the ERA would give an eight weeks course; that the four teachers employed would live in the building, \$2.50 a week per room being paid for lodging.

After the Negro Welfare Conference held in Bethany Church in June, certain resolutions together with the findings of the conference were sent to various state officials. A letter as of July 24th from the Governor to Mr. Lett proved to be unsatisfactory and evasive. A further letter sent by Mr. Lett on Aug. 8th brought the same type of reply. Mr. Barnard in his communication to Mr. Lett stated that 122 Negroes were employed throughout the State in Administrative positions.

Rev. Garner endorsed the idea of further correspondence with the Governor.

After discussion on the social service branch of the League work, Mr. Ormond offered to see the Board of Freeholders about certain recommendations which have been made relative to stenographic work and automobile maintenance. Mr. Gillette offered to see the Judges involved and Mr. Murphy.

Dr. Bell suggested that Mr. Lett seek the opportunity of speaking before the Contemporary.

There being no further business the meeting was adjourned.

Archie H. Ormond, President.

Una M. Janifer, Secretary.
